Professional Summary

Computer Science Engineering graduate with hands-on experience in MERN stack development (MongoDB, Express.js, React.js, Node.js). Skilled in building full-stack web applications, developing RESTful APIs, implementing CRUD operations, and designing responsive user interfaces using Tailwind CSS and Bootstrap. Strong understanding of frontend-backend integration and modern JavaScript development. Seeking an entry-level Frontend or MERN Stack Developer role to contribute technical expertise and grow within a professional software development team.

Education

Bachelor of Technology in Computer Science and Engineering *Nov 2021 – June 2025*
IES College of Engineering, Thrissur, Kerala

Higher Secondary Education in Computer Science *June 2019 – March 2021*
St. Thomas' Higher Secondary School, Thrissur

Matriculation *Completed: March 2019*
Jeevan Jyothi Public School, Thrissur

Internship Experience

Luminar Technolab, Kakkanad, Kerala *Jan 2025 – Dec 2025*
MERN Stack Developer Trainee

- Developed full-stack web applications using MongoDB, Express.js, React.js, and Node.js.
- Built RESTful APIs and implemented CRUD operations for dynamic data handling.
- Designed responsive user interfaces using Tailwind CSS and Bootstrap.

Projects

Bookstore Management System (MERN Stack)

- Built a role-based web application with user and admin dashboards for book management and purchasing.
- Designed RESTful APIs and implemented CRUD operations for inventory, approvals, and user management.

Daily Cart E-Commerce Application

- Developed a responsive e-commerce web application with product listing, shopping cart, and order management features.
- Integrated backend APIs for dynamic data handling and state management.

Weather Application

- Created a real-time weather forecasting application using React.js and OpenWeather API.
- Implemented dynamic UI updates and search functionality with asynchronous API calls.

Technical Skills

Frontend	React.js, JavaScript, HTML, CSS, Tailwind CSS, Bootstrap
Backend	Node.js, Express.js
Database	MongoDB

Soft Skills

Problem Solving, Adaptability, Team Collaboration, Critical Thinking

Certifications

Google Ads Search Certification
LaTeX Certification
